

PRESS RELEASE

ANNOUNCEMENT - GENERAL MANAGER

I am excited and incredibly pleased to announce that Mr. Dermot De Loughry has accepted our offer to become General Manager of Hedonism II, effective November 2nd, 2020. We are looking forward with great anticipation to what the future holds for our staff, groups, and guests under the guidance and direction of Dermot.

I would also like to thank our current General Manager Mr. Kevin Levee for his years of service and his contributions in making Hedonism II the "Home Away from Home" that our guests expect and enjoy. I wish him the best in his retirement.

Dermot comes to us with 26 years of rich experience of internationally renowned hospitality operations. He has worked in hotels in Great Britain, Ireland, Barbados, Turks and Caicos, and the British Virgin Islands. Dermot also has a strong background in Food and Beverage, having served many years as Regional Director of Food and Beverage for the InterContinental Hotels Group in London, and Food and Beverage Director for the Mandarin Oriental Hotel Group in Hong Kong.

Dermot also brings with him years of experience in engaging guests and employees. He has vast experience in delivering business plans and executing renovation and improvement projects. And he has a proven track record of building and maintaining the highest levels of customer service, quality standards, and financial performance.

Our Hedonism II team members have a long tenure in the all-inclusive hospitality industry. I am confident that our team members' skills and expertise, in combination with Dermot's leadership, will enhance all aspects of the Hedonism II experience. It therefore gives me immense pleasure to welcome Dermot into our family.

I ask that you join me in extending the warmest Hedonism welcome to Dermot, and that you provide support and assistance during the transition and in the future.

With Warmest Regards -
Harry W. Lange
Chairman & CEO of HEDONISM II
