Due to people rebooking cancelled COVID trips, most resorts are filling up fast for many dates in 2022. Don't delay booking your trip or you won't get your dates.

This is NOT SPAM. You are receiving this newsletter for one of two reasons: Either you filled out the subscription page on the DennyP Travel web site, or you requested a rate quote and "Add to email newsletter list" box on the quote request form was checked. If you now choose to not receive the newsletter, click on the "Unsubscribe Automatically" button at the end of the email you received.

New items in this color.

JAMAICA - BREAKING NEWS

Beginning April 16, 2022, Jamaica will no longer require a COVID-19 test to enter the country. It is also dropping their mask mandates. More information [here](#).

You will still need to follow the testing requirements for your own country (if any) when departing Jamaica.

The US CDC has lowered the COVID-19 risk level from 2 to 1. More information [here](#).
