Dear business partner,

Great news: we are ready! As stated before, we are extremely speedy when it comes to providing guests with a sensual, worry-free Desire experience, which is why it gives us great pleasure to share this with you: **COVID-19 top-quality antigen tests by Hospiten, a renowned international hospital group, will be available in house at no additional cost for couples staying minimum 3 nights in any room category** and checking out as of Jan. 26. If your clients are staying less than 3 nights, it is all right, tests will be available to them at a preferential rate of \$50 USD per test. Tests results are delivered on a same-day basis.

For more information, please visit our official website or tell your clients to stop by the concierge desk.
