DESIRE RIVIERA MAYA RESORT EXPANSION

Seductive

news!

At **Desire Resorts**, your every desire is our command, and we are always finding new ways to take our conceptual experience to pleasurable new heights. So, brace your sensual selves because we are overly excited to share with you some spectacular news: from **January 15 through December 22, 2023, Desire Riviera Maya Resort will undergo a steamy expansion**, adding new features Beyond Seduction!

This expansion will include the addition of **more world-class rooms and suites, a spectacular new lobby, a new Mélange**, which will now be a covered open-air venue, **a new gorgeous spa, and a new state-of-the-art gym**. Plus, there will be a **breezy new venue where couples can satisfy their favorite cravings and a delicious new haute Mexican cuisine restaurant**.

Additionally, we will be adding a **sensual new pool**, which will not only be larger but will include a more extensive space for lounging. And for those seeking a relaxing oasis, our current pool will become a Quiet Pool. To top it all off, couples will be able to mix and mingle in **one all-new seductive area featuring a disco, a playroom, and a jacuzzi**.

Be sure that, during construction works, **our concept will remain the same**, having minimal impact on our guest experience. The only areas that will be temporarily closed are the spa and gym.

As renovation dates approach, we will be releasing more information about the exciting details of this project. Until then, stay tuned; we'll be sending out more details real soon.

Thank you for being part of our family; our resorts would not be a global success if it weren't for you. Get ready for what is coming...

Warm regards,
