Dear business partner,

Great news: we are ready! As stated before, we are extremely speedy when it comes to providing guests with a sexy, worry-free Temptation experience; so, here it is: **COVID-19 top-quality antigen tests by Hospiten, a renowned international hospital group, will be available in house at no additional cost for guests staying minimum 3 nights in any room category** and checking out as of Jan. 26 (limited to 2 guests per room). If your clients are staying less than 3 nights, don't sweat, tests will be available to them at a preferential temptationers-only rate of \$50 USD per test. Tests results are delivered on a same-day basis.

For more information, please visit our official website or tell your clients to stop by the concierge desk.

Party time is any time at Temptation Cancun Resort!
